CANON SUPPORTS OF ISU WORLD FIGURE SKATING CHAMPIONSHIPS

LONDON, ON, 13 March 2013 - The ISU World Figure Skating Championships 2013, of which Canon Inc. is a sponsor, will be held in London, Canada from March 13 to March 17, 2013. During the event, Canon will be regularly updating the Canon Photo Gallery section of the ISU World Figure Skating Championships 2013 official website. Additionally, Canon will provide on-site support for professional photographers covering the competition through the establishment of a Camera Service Depot.

Canon Photo Gallery

Canon will open the Canon Photo Gallery within the ISU World Figure Skating Championships 2013 official website. The gallery will feature photographs by professional sports photographers using high-performance Canon cameras and lenses to capture the powerful grace and beauty of competing athletes. Since images will be updated daily, we encourage you to visit regularly.

Camera Service Depot within the Press Center

To support professional photographers covering the ISU World Figure Skating Championships 2013, Canon will establish a Camera Service Depot within the venue's Press Centre offering maintenance and repairs as well as equipment loans.
