CANON ADDS AIRPRINT™ SUPPORT FOR NEWEST IMAGECLASS LASER MULTIFUNCTION PRINTER MODELS

AirPrint Compatibility Delivers Virtually Seamless Mobile from iPhone, iPad® and iPod touch®

MISSISSAUGA, ON., September 8, 2015 - Continuing to meet the needs of its customers, Canon Canada Inc., a leader in digital imaging solutions, today announced that the five newest imageCLASS multifunction printer models – the Colour imageCLASS MF729Cdw/MF726Cdw, Colour imageCLASS MF628Cw/MF624Cw, and imageCLASS MF217w now support AirPrint™ wireless[1] printing from iPad®, iPhone®, and iPod touch® devices.[2] As an industry leader, Canon continues to offer products that provide customers with user-friendly, convenient solutions, including compatibility with the AirPrint software feature, which allows users to wirelessly print photos, emails, web pages and documents from their favourite iOS device without the need to install or download additional print drivers or interfaces. These models join the growing number of Canon products that are AirPrint compatible. For more information, visit **www.canon.ca**.
